Rated IEC 60898		2 10/415V AC					6 *					
Interrupting IEC 60947-2		2 10/415V AC					6					
Capacity (kA) SABS 156		230/400V AC					5					
SABS 156*		125V DC					3					
Rated Voltage (V) AC 50/60Hz		277	480	480	-	-						
Interrupting Capacity (kA) UL1077		2	1	1	-	-						
Usable as disconnector		Yes					Yes					
Inverse time delay		Magnetic-magnetic with internal and external linkage to a common trip of multipole units										
Instantaneous trip point		Magnetic-magnetic with internal and external linkage to a common trip of multipole units										
Termination		Box terminal (25mm ² cable maximum). Torque 2,5Nm										
Mounting Options:		Minirail					-					
		Surface clip					-					
		DIN rail					-					
		USA rail					-
